Plymouth Pisces

President: The Lord Mayor

Swimming for all disabilities

GROUP MEMBERSHIP APPLICATION FORM

Plymouth Pisces is run by volunteers who hire Central Park Leisure Pools on Sundays to provide swimming sessions for people with disabilities together with their families and helpers. During sessions only Pisces members and registered club helpers are covered by insurance and it is therefore necessary for all those swimming other than the registered club helpers to become Pisces members.

In recognition of the differing situations of groups and to avoid the necessity of taking down names each time a group comes swimming, groups from residential homes, respite centres etc. have the option of taking out a group membership. The group membership fee is currently £10.00 per annum, payable on 1st January each year.

Groups will not be asked to name individuals who will be attending swimming but just to indicate the numbers who they require to be registered. When attending a swimming session only the number swimming (both disabled and helpers) and the name of the person in charge will be registered.

A group may, of course, join as individual members with an annual membership of £3.00 each if so desired.

In order to provide the best possible care please inform the club of any of the members of your group who may need special care or assistance from the club helpers. This is especially important if a member is subject to any sudden change in their condition such as a fit or a blackout.

To the best of my knowledge, none of the members of the group who will be going in the water has a medical condition, which prevents them from taking part in organised swimming.

WE WILL NOT BRING ANYONE WH HAS A CRIMINAL CONVICTION FOR CAUSING HARM TO OTHERS.
