

PLYMOUTH PISCES WINTER NEWSLETTER

New Year Party 16th January 2009.

Derriford Leisure Centre

Pip Critten will entertain us.

We have changed the format to share a more **relaxing and social** evening for everyone.

Tickets £2.00 but will include a **lucky number draw** and **buffet food** (bar open for drinks).

On Sunday we meet almost naked
As we swim up and down in the pool
So why not put your best clothes on
Together we'll all have a ball.

See you at the party – let's have some fun.

We will not be selling tickets at Homebase this year but will have a New Year's draw during December and January and on the night of the draw.

Please be **generous** and also provide us with any **prizes** you may have.

The number of members coming swimming each week over the summer has been very healthy and we welcome all our new members.

We also participated in an exercise with the **Plymouth Lions Club** where we were able to provide the public with information and leaflets about Pisces. This has resulted in the possibility of **new members**, **new volunteers** and the **return of old friends**.

ACCESS TO THE INTERNET?

Check out our brand new website at www.pisces-club.co.uk.

Any comments would be welcomed: email paul@pisces-club.co.uk or see me on the desk on Sundays.

Well done to everyone who took part in this year's gala.

All the swimmers did their best to earn points for the club shield and individual and relay medals.

Thanks to our friends the Plymouth Lions Club for all their help timekeeping, judging and catering in the Marquee.

Plymouth Argyle once again were kind enough to let us use their Marquee for the buffet and presentation after the Gala.

Please put swimming aids and balls away at the end of the session or after you have used them or we stand to lose them.

Have you got any news you want to share? Have you got any ideas about the future of the Club?

Anything you want to pass on for the benefit of other Club members then jot it down on a piece of paper and pass on to (or E-mail) Paul.

GOOD NEWS

IT WOULD APPEAR THERE ARE NO MORE NON SWIMMING DAYS THIS YEAR
